Max-

I think that Westfield District will allow me to bring my cell into court (on vibrate), so you can try calling me at [REDACTED]. I am hoping to hear from either the VWA or ADA in Westfield as well as the Superior Court (Springfield) ADA this afternoon to try and figure everything out for tomorrow - hopefully I'll be able to get some set times for testifying. I will keep you informed.

Sonja,

[REDACTED] should not be a problem as I found out this morning the majority of police witnesses will be unavailable on the scheduled date. As for [REDACTED] on for tomorrow, is there a number I will be able to reach you at or some way for me to find out if your westfield trial is going?

Thanks,

Max bennett

Hi Max-

I wanted to let you know that I received your summons for the Ittner case scheduled for trial on November 8, 2010. As of now, I already have a case scheduled in Northampton that day, and since this was a day I picked out for that case (the ADA changed trial dates for me as I had 5 other cases scheduled for the original date), I feel I have an obligation to be available for that case if needed. However, I will keep you informed of any changes in the Northampton case. Sorry.
